

susdrain SuDS Champion 2020

Nomination and judging process

Combined industry and susdrain supporter vote

1. Open nominations (for 1 month) to the industry/communities – one nomination per organisation
2. Susdrain Partners and Supporters also asked to nominate
3. Nominations to go to a panel of judges that represent an approver, designer, developer and champion.
4. Judges give a score out of 50 for each entrant (see judging points on form)
5. Nominations are shortlisted to no more than five champions (where possible showcasing the best approver, designer, developer and champion)
6. Industry voting on shortlisted champions
7. Susdrain Partners and Supporters vote on shortlisted champions
8. Votes are added with appropriate susdrain supporter weighting of x votes.
9. Winner is made up of industry vote and susdrain supporter vote

The overall champion has the ability to inspire, inform and influence delivery of exceptional SuDS.
