(Maximum 150 words total)

<p>Inspire – how has your champion inspired others regarding SuDS?</p>	<ul style="list-style-type: none"> Developed, grown and led a team focusing on sustainable drainage serving the borough of Enfield, which has developed a strong vision for SuDS delivery. Fostering a culture of “anything is possible” and encouraging the team to develop professionally to deliver their own projects in the realm of SuDS, providing support and oversight as necessary.
<p>Inform – how does your champion share good practice?</p>	<ul style="list-style-type: none"> Sought to develop a culture for SuDS / NFM throughout the Boroughs activities and normalise the delivery of SuDS and Nature Based Solutions into business functions. Playing on the truly multi-beneficial aspect of well thought out and designed drainage and encouraging working with partners and communities to encourage others to champion the approach.
<p>Influence – how has your champion dealt with challenges and shared their enthusiasm about SuDS?</p>	<ul style="list-style-type: none"> Conceived the idea of the London Strategic SuDS Pilot which aimed to redevelop the business case for SuDS and small scale flood defence in the urban setting of London which involved pan-London working beyond the normal sphere of local authority. The project has just completed its first phase.
